主旨：A big THANK YOU!!!

信件內容：

To whom it may concern,

First, I want to express my experiences I had at TECRO in DC last week. It was the most pleasant office visit I ever had.

A big thank you to Ms. and Ms. Lin. They are not only friendly but super helpful with my renewal Taiwan passport process.

I can't thank you all enough for the speedy process and knowledgeable information. It made me feel just like home and also reminds me that Taiwan is such a warm country.

Please keep up the wonderful work. I am so proud of you all being there to represent Taiwan and being supportive for Taiwanese people. THANK YOU!!!
