Hello, to whom it may concern:

I wanted to express my most appreciative thanks to the Taipei Economic & Cultural Office in Los Angeles last week. I had some unfinished documents that I was advised to be corrected it. I urgently flew to Los Angeles again the next day from Texas because of the urgency of my court case in Taiwan. I have phoned Miss Kuo, she asked awesomeness of 陳慶如秘書's help to assist me to make sure my documents can be picked up the same day.

Miss Kuo and 陳慶如秘書, both helped me expeditiously to have my document completed on the same day. Once again, mission accomplished!!!!

Sincerely,
