Dear Sir/Madam,

I am writing to express my sincere appreciation for the services I received at the TECO office in Chicago, IL, earlier today.

I visited this morning to have my Power of Attorney authenticated. Even though I unfortunately forgot to bring my passport, the process went very smoothly, thanks to the assistance I received.

I am particularly grateful to Ms. Grace Lin and her supervisor for their invaluable help in ensuring that everything was accomplished. I truly cannot thank them enough for their support.

Sincerely,

○○○ Chen, M.D.
