After more than ○ years struggling in all process, today, I have submitted passport application as Taiwan citizen. I would like to deliver my appreciation to all of officers including staffs station in ○○. Your extraordinary effort during these pass years really makes me feel this is right decision to become Taiwanese. This is the reason I choose Taiwan as my home because you treat me like human beings. When my document stucked in my home country, officers in ○○ were putting much efforts trying to get more information for me. Not to mention offices in Taiwan also helped to communicate between me and officer in ○○ ○ years ago. You keep my dignity as a human so that I believe Taiwan is the best country to stay for the rest of my life.

I would like to express my gratitude.Thank you so much
